

Empowering Actions is a division of Brown & Brown Group, LLC. The company is a Leadership Training and Development company founded in 2008 by Angela Brown, a women and minority owned business enterprise. Empowering Actions has an A-list roster of professional trainers, coaches and consultants specializing in governmental and corporate professional development training.

The cores of our services revolve around leadership and workforce development preparedness. Our fundamental belief is that every organization's success depends on creating and reinforcing a strong leadership foundation. The corporate headquarters are based in Chandler, Arizona with offices in Kansas City and Washington, D.C., providing services both nationally and internationally.

Core Capabilities

- Leadership, supervisory and management skills training
- Executive leadership coaching and engagement services
- Employee engagement and team building training

Differentiators

Our comprehensive leadership workforce training and consulting services cover every aspect of leadership from new leader development through senior level executive coaching.

- We tailor our solutions to fit our client's unique workforce leadership and complimentary training needs.
- We develop, manage, facilitate and implement leadership solutions to help prepare and equip your leaders for long-term success.
- Our team of highly experienced trainers, consultants and coaches bring more than 100 years combined leadership training experience to our clients.
- Offer training solutions that are relevant, interactive and practical.
- Teach and provide training outcomes that our clients can implement immediately after attending our training sessions.
- Serve as a one stop solution for all levels of your leadership team and workforce.

Training Services Descriptions

We train and equip new and experienced managers, supervisors and leaders with the skills and tools necessary to be highly effective leaders within the government and private sector.

Our Executive Leadership training and coaching programs provide mid-mangers and senior level personnel custom and individual solutions tailored to the specific needs of the individual.

Employee engagement is a critical component to the success of any organization. Empowering Actions provides training programs geared to your team's specific needs and objectives. We understand that engaged employees and teams are more productive and have a greater sense of their value to the organization.
